

## ABOUT PRO 99

Pro 99 is a powerful, multi-surface cleaner and remover designed to break down and eliminate latex paint, primer, grease, oil, adhesive residue, ink, and permanent marker with ease.

Pro 99 delivers fast, effective, and reliable performance without harsh fumes.

# PRO 99

## Latex Paint Cleaner & Remover

### KEY FEATURES

- Effectively removes wet and dried latex paint
- Dissolves stubborn residues like grease, adhesives, and markers
- Works on metal, plastic, vinyl, wood, rubber, and painted surfaces
- Low odor, non-corrosive formula
- Ready-to-use spray - no dilution needed
- Safe for use around the home, shop, or jobsite
- Pre-paint surface cleaner

### APPLICATIONS

- Removes latex paint spills and overspray from surfaces (surface safe)
- Removing overspray from flooring, trim, or fixtures
- Cleaning scuffs, adhesive, ink, and stains
- Ideal for painters, remodelers, contractors, maintenance crews, and homeowners
- Can be used on: floors, concrete, brushes, glass, metal, composite decking, wood trim, vehicles, tile, laminate, brick, and more
- Cleaning paint sprayers and tools

### DIRECTIONS FOR USE

- Spray Pro 99 directly on the area to be cleaned
- Allow it to penetrate for 1-2 minutes
- Wipe or scrub away loosened material with cloth or tool
- Repeat if necessary
- Always test in an inconspicuous area before full application
- **For pre-paint surface cleaner** - spray & wipe clean
